DETAILED ACTION

1. Acknowledgment is made in the receipt of the amendment filed October 13, 2004. The amendment has been approved for entry.

Allowable Subject Matter

2. Claims 1-3 and 5-7 are allowed.

3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to anticipate or render obvious a vibration damper with variable damping force comprising a damping valve having a valve body, wherein the valve body is precontrolled to a precontrolled setting in one of rebound and compression direction and directly controllable via an actuator in the other of the rebound and compression direction. The damping valve of Kobayashi et al. is precontrolled, such as being set to a low damping force state, in both the rebound and compression directions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
